Miracle FRP Tool is a small windows program specially designed to remove FRP lock from any kind of Chinese Android phone in a few seconds. It requires a Miracle Box hardware dongle to use properly on your computer. In the following topics, I share to download Miracle box FRP Tool v2.00 latest setup with How to use instructions to unlock FRP lock from Android phones. You can use Miracle FRP Tool on MTK, Qualcomm, SPD, Samsung, Realme, Hisense, Blu, Lenovo, Moto, POCO, MI, Redmi, Huawei, LG, Vivo, Oppo, Xiaomi Devices. The procedure is easy just run the Miracle FRP tool, and connect your device to PC and click on Bypass FRP. That's it. Nowadays, every single Android smartphones comes with FRP protection. The summarization of factory reset protection is FRP and it basically protects Android users' personal data and Privacy during thefts. If you Reset your phone without removing the old Google Account, then you have to log in with the same Google ID and password that you set up earlier on the device to bypass Google account verification lock on your phone. Without verification, you can't use the phone.
